Determine Presence of a Quorum/Adoption of Agenda

Public Comment

Public Hearing

A. **Case No. RZ-07-22-16**: Madison Land Holdings, LLC has applied to rezone a 2.08-acre parcel from R1 (limited residential) to B1 (business). An existing single-family dwelling is located on the parcel and its address is 1173 Fishback Road, Madison, Virginia. The parcel is identified on Madison County's Tax Maps as 40-19A.

B. **Case No. SU-07-22-17**: Mikolaj Vivaldi has applied for a special use permit to operate an automotive repair shop on a 355.5-acre A1 (agriculture) zoned parcel. In the A1 zoning district, an automotive repair shop is allowable by special use permit. The proposed shop would operate from an existing accessory structure located on the parcel. The parcel contains two address points, 6726 and 6730 S. Seminole Trail, Rochelle, Virginia. The parcel is identified on Madison County's Tax Maps as 55- 22.

C. **Case No. S-07-22-18**: Woodberry Forest School has submitted a Site Plan to construct a multi-purposed athletic building on its campus. The building is proposed to be roughly 23,215 square feet, and be utilized for basketball, pickle ball and various other recreational activities. The total site disturbance would be 0.99 acres (~ 43,122 sq.ft.). The building would be near/off "Tiger Drive" and is located on Madison County Tax Map 66-8.

D. **Case No. OA-07-22-19** – It is proposed to amend Madison County's subdivision ordinance and add an article 4-2-3. This proposed amended/new article 4-2-3 would be as follows: 4-2-3 (Periodic partial and final release of any bond, escrow letter of credit, or other performance guarantee) The County shall have 30 days from receiving written notice from a landowner, subdivider, or developer, et al. to inspect projects to confirm the bonded work and improvements have been completed in compliance and conformity with the terms of a performance bond. After confirmation, the County shall release that portion of the bond for which the improvements/construction has been completed. If all bonded work and improvements have been completed, then the entire bond will be released. (Code of Virginia section 15.2-2245 (A), (B), (C), (D), (E) and (F), as amended).

Call to Order

Pledge of Allegiance & Moment of Silence

1) Determine Presence of a Quorum

2) Approval of Agenda (Additions or Changes)

3) Review of Minutes from June 1, 2022, Meeting

4) Public Hearings:

A) **Case No. RZ-07-22-16**: Madison Land Holdings, LLC has applied to rezone a 2.08-acre parcel from R1 (limited residential) to B1 (business). An existing single-family dwelling is located on the parcel and its address is 1173 Fishback Road, Madison, Virginia. The parcel is identified on Madison County's Tax Maps as 40-19A.

B) **Case No. SU-07-22-17**: Mikolaj Vivaldi has applied for a special use permit to operate an automotive repair shop on a 355.5-acre A1 (agriculture) zoned parcel. In the A1 zoning district, an automotive repair shop is allowable by special use permit. The proposed shop would operate from an existing accessory structure located on the parcel. The parcel contains two address points, 6726 and 6730 S. Seminole Trail, Rochelle, Virginia. The parcel is identified on Madison County's Tax Maps as 55-22.

C) **Case No. S-07-22-18**: Woodberry Forest School has submitted a Site Plan to construct a multi-purposed athletic building on its campus. The building is proposed to be roughly 23,215 square feet, and be utilized for basketball, pickle ball and various other recreational activities. The total site

disturbance would be 0.99 acres (~ 43,122 sq.ft.). The building would be near/off "Tiger Drive" and is located on Madison County Tax Map 66-8.

D) **Case No. OA-07-22-19** – It is proposed to amend Madison County's subdivision ordinance and add an article 4-2-3. This proposed amended/new article 4-2-3 would be as follows: 4-2-3 (Periodic partial and final release of any bond, escrow letter of credit, or other performance guarantee) The County shall have 30 days from receiving written notice from a landowner, subdivider, or developer, et al. to inspect projects to confirm the bonded work and improvements have been completed in compliance and conformity with the terms of a performance bond. After confirmation, the County shall release that portion of the bond for which the improvements/construction has been completed. If all bonded work and improvements have been completed, then the entire bond will be released. (Code of Virginia section 15.2-2245 (A), (B), (C), (D), (E) and (F), as amended)

5) Other Items from the Planning Commission or Public

6) Adjournment

Madison County Planning Commission
Joint Meeting
June 1, 2022

The Madison County Planning Commission Workshop Meeting was called to order by Chair, Steven Carpenter, in the County Office Administration Building Auditorium at 7:00 p.m.

A quorum was established with the following members present: Peter Work, Steven Carpenter, Michael Snider, James Graves III, Nathan Cowan, Fay Utz, Pete Elliott, Francoise Seillier-Moiseiwitsch & Danny Crigler. Also present were Ligon Webb, County Planner; Sean Gregg, County Attorney; Jonathon Weakley, County Administrator; and Clay Jackson, BOS Liaison.

All rose for the Pledge of Allegiance, followed by a moment of silence.

Motion was made by Peter Work to approve the agenda as presented, seconded by James Graves, and carried, with all members voting aye.

There were no minutes to approve (May joint meeting canceled due to no public hearings).

Agenda item 4-A
Subject: Case No. S-06-22-13: Anthony and Linda Clatterbuck have applied for a by- right subdivision of an existing 12.1-acre parcel. The subject parcel is zoned A1 (agriculture) and in this zoning district the minimum parcel size is 3-acres. The subdivision would create two "new" parcels of 3-acres and 3.1-acres; and a residue parcel of 6-acres. The subject parcel does not contain a postal address but is located at/near the intersection of Repton Mill Road (Rt. 607), Good Hope Church Road (Rt. 616) and Orange Road (Rt. 230). The parcel is identified on Madison County's Tax Maps as 57-12

Discussion: Ligon Webb provide a brief overview. No questions or comments from the Commission. Recommended for approval as presented by Pete Elliot, seconded by Danny Crigler, and carried, with all members voting aye. The applicant was not present.

Agenda item 4-B
Subject: Case No. SU-06-22-14: Dorothy and Ralph Martin have applied for a special use permit to operate an event venue on three A1 (agriculture) zoned parcels which they own totaling roughly 154-acres. The applicants are seeking to host wedding receptions and similar events. Per Madison County's zoning ordinance event venue's hosting 15 (or fewer) events annually are not required to obtain special use permit; the applicants anticipate exceeding 15 events annually. The subject property contains two dwellings addressed as 3033 and 3037 Hebron Valley Road, Madison, Virginia. The parcels are identified on Madison County's Tax Maps as 31-30B, 31-30E and 31-30.

Discussion: Ligon Webb provided an overview as well as a list of potential SUP conditions (Below). The only community concerns were voiced by the applicants neighbors Blair and Alice Johnson. It did appear there was some past transient occupancy taxes owed to the county and the applicant intended to pay any back taxes by the end of the month. The applicant shared a concern for excess noise traveling from events and intended to address this if/as needed with respect to neighbors.
Recommended for approval as presented by Pete Elliot, seconded by Fay Utz, and carried, with all members voting aye (Francoise Seillier-Moiseiwitsch recused herself given she is a neighbor).

Proposed SUP Conditions – The following conditions were recommended for the SUP:
1. The SUP shall not be transferable or assignable to another individual, entity or third party unless public notice is provided, and an additional public hearing is held in accordance with section 15.2-2204 of the Code of Virginia.
2. Events with an expected attendance of 300 attendees (or more) will adhere to Madison County's "Large-scale Outdoor Events" ordinance.
3. All amplified music/sound will cease by 10:30p.m.
4. The site's existing entrance/exit will be designed and upgraded as recommended by a licensed engineer; and the recommended entrance/exit design will be installed on/or before December 31, 2022.
5. A written evaluation or letter from the OSE (onsite soil evaluator) certifying that the proposed wastewater for the onsite sewage disposal system for the dwelling addressed as 3037 Hebron Valley Road will be completed, and provided to the County Planner, on/or before August 15, 2022. If there are any events that are expected to exceed the capabilities of the drain field, temporary bathroom facilities will be provided.
6. Future permanent event/venue structures will be limited to a single reception/event pavilion not to exceed 40' x 100' in size and a "stand alone" bathroom building. Any additional structures/buildings associated with the event venue use will require amending the SUP and require public notice and a public hearing in accordance with section 15.2-2204 of the Code of Virginia.
7. As determined by the Commissioner of Revenue, any arrears transient occupancy taxes (ToT) for the single short-term rental addressed as 3037 Hebron Valley Road will be paid on/or before June 30, 2022; subsequently all ToT taxes will be paid monthly.
8. Failure to adhere to the stated conditions of this special use permit would result in the revocation of the special use permit, and the ability to operate an event/venue use on the subject parcel.

Agenda item 4-C - Case No. SU-06-22-15: Tabled by applicant.

Discussion: Ligon did ask the Commission to be open minded with looking into the Zoning Ordinance in regards to the one use per 3 acres (Zoning Ordinance 4-3 in A-1) .

Agenda item 5-A
Subject: Ordinance Amendment: Allowing for the periodic and partial bond release for bonded Erosion and Sediment control measures.

Discussion: Ligon presented reasons for updating the code including the need to come into compliance with state code. Pete Elliot voiced concerns particularly regarding road construction. The ordinance revision is intended for the July 6th public hearing.

Agenda item 5-B
Subject: Ordinance Amendment: Potentially defining and adding "moving or storage facility" as a use allowable by special use permit in the B1 zoning district.

Discussion: Ligon gave an overview and felt it would be logical to allow the Ordinance Amendment. The SUP would allow for provisions set forth by the BOS. Steven Carpenter suggested changing "moving or storage facility" to "Mini Storage Units".

There being no further business, motion was made byPete Elliott, seconded by Peter Work and carried with all voting aye to adjourn at 8:05 p.m.

End of Minutes
Attest:
_____, Steven Carpenter, Chair of Planning Commission

_____, Nathan Cowan, Secretary of Planning Commission

PUBLIC NOTICE

Notice is hereby given that Madison County's Planning Commission and Board of Supervisors will hold a joint public hearing at the Madison County Administrative Auditorium located at 414 N. Main Street, Madison, Virginia on **Wednesday, July 6, at 7:00 p.m.** to act on the following cases:

1) **Case No. RZ-07-22-16**: Madison Land Holdings, LLC has applied to rezone a 2.08-acre parcel from R1 (limited residential) to B1 (business). An existing single-family dwelling is located on the parcel and its address is 1173 Fishback Road, Madison, Virginia. The parcel is identified on Madison County's Tax Maps as 40-19A.

2) **Case No. SU-07-22-17**: Mikolaj Vivaldi has applied for a special use permit to operate an automotive repair shop on a 355.5-acre A1 (agriculture) zoned parcel. In the A1 zoning district, an automotive repair shop is allowable by special use permit. The proposed shop would operate from an existing accessory structure located on the parcel. The parcel contains two address points, 6726 and 6730 S. Seminole Trail, Rochelle, Virginia. The parcel is identified on Madison County's Tax Maps as 55-22.

3) **Case No. S-07-22-18**: Woodberry Forest School has submitted a Site Plan to construct a multi-purpose athletic building on its campus. The building is proposed to be roughly 23,215 square feet, and be utilized for basketball, pickle ball and various other recreational activities. The total site disturbance would be 0.99 acres (~ 43,122 sq.ft.). The building would be near/off "Tiger Drive" and is located on Madison County Tax Map 66-8.

4) **Case No. OA-07-22-19** – It is proposed to amend Madison County's subdivision ordinance and add an article 4-2-3. This proposed amended/new article 4-2-3 would be as follows: 4-2-3 (Periodic partial and final release of any bond, escrow letter of credit, or other performance guarantee) The County shall have 30 days from receiving written notice from a landowner, subdivider, or developer, et al. to inspect projects to confirm all bonded work and improvements have been completed in compliance and conformity with the terms of a performance bond. After confirmation, the County shall release that portion of the bond for which the improvements/construction has been completed. If all bonded work and improvements have been completed, then the entire bond will be released. (Code of Virginia section 15.2-2245 (A), (B), (C), (D), (E), and (F), as amended)

The public is invited to attend the hearing and comment. Written comments may be submitted prior to the meeting; written comments received prior to 1 p.m. on Friday, July 1, 2022, will be placed into the official staff packet and distributed to the Planning Commission and Board of Supervisors. The meeting will also be streamed live on the County's Official YouTube channel. Copies of the County's ordinances and documents related to these hearings are available for review. The documents can be viewed in person at Madison County's Building & Zoning Office, 410 North Main Street, Madison, VA 22727; documents can be inspected Monday through Friday from 8:30 a.m. to 4:30 p.m. Comments or questions can be sent via email to lwebb@madisonco.virginia.gov or by calling 540-948-7513.

June 10, 2022

Dear Neighbor,

You are hereby informed that Madison Land Holdings, LLC has applied to rezone a 2.08-acre parcel from R1 (limited residential) to B1 (Business). The submitted rezoning application has been reviewed by County staff and a public hearing has been scheduled. This rezoning application is scheduled for a public hearing at an upcoming joint meeting of the Planning Commission and Board of Supervisors. **This public hearing will take place on Wednesday, July 6, 2022 (7 p.m.) at the Madison County Administrative Auditorium located at 414 North Main Street, Madison, Virginia**. Notice of this hearing will be advertised in the Madison Eagle on June 23rd and June 30th; the text of this advertisement states the following:

> **Case No. RZ-07-22-16**: Madison Land Holdings, LLC has applied to rezone a 2.08-acre parcel from R1 (limited residential) to B1 (business). An existing single-family dwelling is located on the parcel and its address is 1173 Fishback Road, Madison, Virginia. The parcel is identified on Madison County's Tax Maps as 40-19A.

In addition, the Planning Commission will be holding a work session on Wednesday, June 15, 2022 (6:30 p.m.) where this application will be discussed. Though this meeting is not a public hearing, you are invited to attend. This meeting will also be held at the Madison County Administrative Auditorium located at 414 N. Main Street, Madison, Virginia.

If you have any question, concerns, or comments you are encouraged to attend the joint public hearing or work session. Also, please feel free to contact me at the number (or email) below for assistance.

Sincerely,
Mr. Ligon Webb
County Planner

Ligon Webb

From: Ligon Webb
Sent: Wednesday, June 8, 2022 10:43 AM
To: Bedsaul, Willis; John Wilson
Subject: re: Comments - Madison Land Holding's Rezoning TM 40-19A

Importance: High

Hello Willis and John –

Madison Land Holding's has applied to rezone a roughly 2-acre parcel from R1 (limited residential) to B1 (business). The rezoning is scheduled for a public hearing on July 6, 2022. The parcel is identified on Madison County Tax Maps as 40-19a, and I have attached a screenshot of the subject property. You might recall, a few months ago Madison Land Holding's rezoned portions of the adjoining 39-acre property which is located to the south of this parcel; the parcel does contain an existing single-family dwelling, but the applicant anticipates (if rezoned to B1) the dwelling will be demolished at some point in the future.

If the subject parcel is rezoned to B1, the applicant anticipates this parcel's commercial/business development would likely be connected to the business/commercial area (pink area) on the adjacent parcel located to the south.

As of now the applicant does not have a specific commercial use in mind, but anticipates some sort of retail business.

Of course, prior to any site disturbance or development takes place for a specific commercial use, a Site Plan will be required to be submitted, and as we have discussed before, this would be when a specific entrance design would be presented as recommended by a licensed engineer, and presented /forwarded to VDOT for review and comments. Again, there is no specific timeline of when the Site Plan might be developed if rezoned...

If you have any specific comments that you'd like for me to place in the agenda packet for the July 6, 2022 public hearing, please have the comments to by on/before Friday, July 1, 2022.

Ok, thanks again – Ligon

Re: (T.M. #40-19A) Madison Holdings, LLC- Rezoning request
Rte. (Route 722 Fishback Road) Madison County, VA

Dear Mr. Webb:

The Department of Transportation, Charlottesville Residency Transportation and Land Use Section has reviewed the rezoning request for the above-referenced parcel dated June 08, 2022, as prepared by Madison Holdings, LLC, and find the rezoning request generally acceptable.

1. Please note; when rezoned to commercial use, any development will require a site plan be submitted and the site plan must show conformance with the VDOT Road Design Manual Appendices B(1) and F, as well as any other applicable standards, regulations or other requirements.

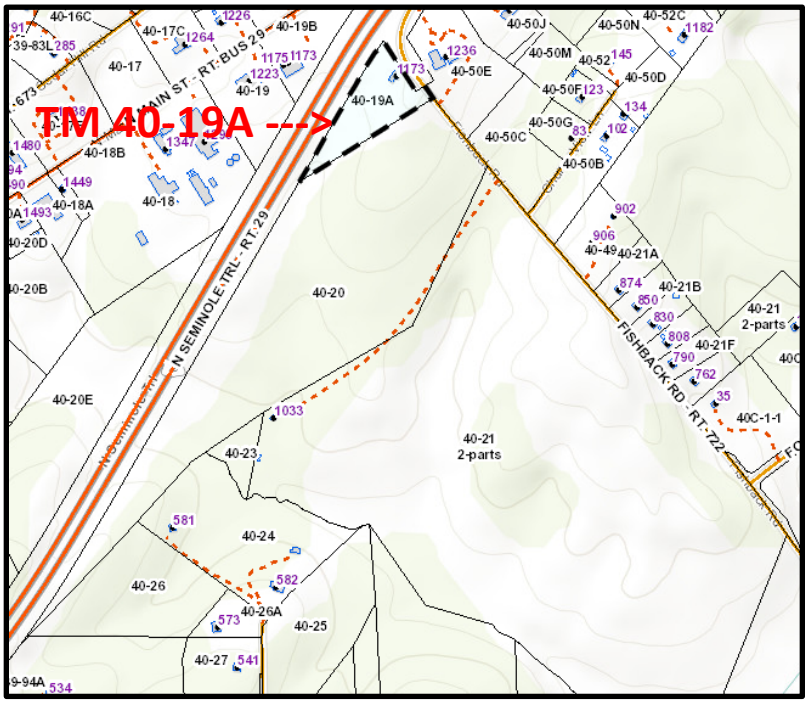

If you have further questions, please contact Willis Bedsaul at (434) 422-9866.

Sincerely,

John Wilson, P.E.
Assistant Resident Engineer-Land Use
Charlottesville Residency

Madison Land Holdings LLC's Application to Rezone 2.08-acrs from R1 (limited residential) to B1 (Business)

Background – Madison Land Holdings, LLC has applied to rezone a 2.08-acre parcel form R1 (limited residential) to B1 (business). The parcel is located on Fishback Road and contains frontage on Seminole Trail (Rt. 29); though the parcel does not contain access to Seminole Trail. The parcel is improved with a single-family dwelling which contains a private well and septic system. If this rezoning is approved, the applicant anticipates demolishing the dwelling in the future, but no specific timeline has been stated.

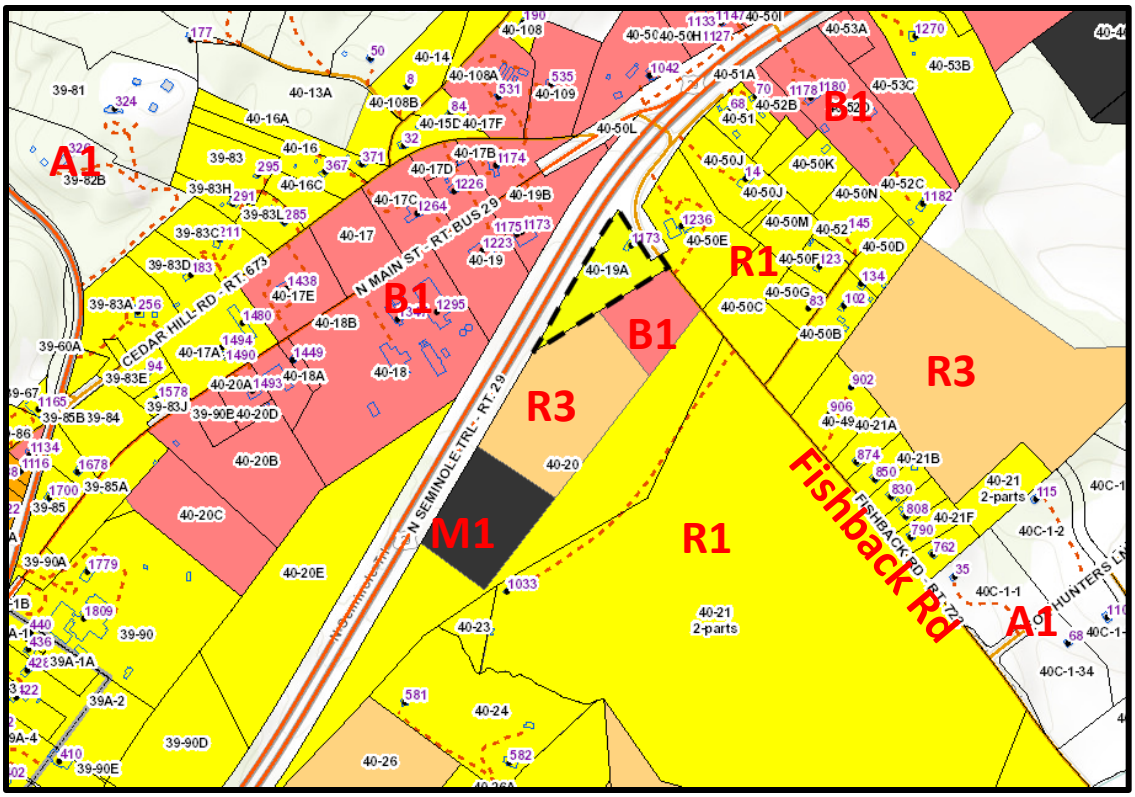

If rezoned, the applicant has not identified a specific business use, though it's anticipated a retail-based use taking advantage of the parcel's proximity/access to US 29.

This parcel adjoins a 39-acre parcel (TM 40-20) which is also owned by the applicant. This parcel is split-zoned (B1, R3, M1 and R1) and the adjoining parcel's business zoned area is expected to at minimum be connected (inter-parcel connection) to the subject parcel if rezoned.

Currently, the County Planner is working with the applicant to develop as set of mutually agreeable proffers if the parcel is rezoned. A formal proffer letter is anticipated to be completed on/before July 1, 2022. The following items are expected to be addressed: 1) limiting site signage to a single monument style sign, 2) require an inter-parcel connection to the adjoining parcel located to the south, 3) in conjunction with a required Site Plan a landscaping plan will be submitted, and 4) a licensed engineer will design the parcel's entrance/exit and be reviewed by VDOT and approved by the County.

Site Plan, Access, VDOT and VDH – If rezoned, prior to any site/parcel land disturbance development, a formal Site Plan would be required to be submitted; and during the Site Plan submittal phase a specific use would be proposed and items such as access (ingress/egress), inter-parcel connection(s), water/sewer, buffering, parking, etc. would be shown on the Site Plan and reviewed by County Staff and (other) outside agencies (VDOT, DEQ, VDH).

Visuals-

Recommendation: **Approval** **June 30, 2022**

The subject 2.08 acre parcel is located near the intersection of Fishback Road and U.S. 29; and given that the parcel is adjacent to (and located near), other commercially zoned areas, rezoning this parcel to B1 is logical and is consistent with nearby land use patterns. It is anticipated the existing single-family dwelling would be (eventually) demolished and the site redeveloped for a commercial use which takes advantage of the site's location near a busy highway corridor. If rezoned, in all likelihood the existing single-family dwelling would continue to be occupied and be considered a "legal non-conforming use".

Proffers submitted by the applicant place limits on site signage, provides for an inter-parcel connection to an adjacent (partially) commercially zoned parcel and restricts allowable types of commercial activities.

In addition, prior to the parcel being developed, a Site Plan will be required to be submitted where overall site layout, access/entrances, utilities, buffering, etc. will be reviewed by the Planning Commission and approved by the Board of Supervisors.

June 30, 2022

To: Ligon Webb, County Planner

From: Powell O'Bannon (Madison Land Holdings LLC)

RE: Rezoning Proffers and Conditions for Madison County Tax Map 40-19A

Ligon –

This letter shall serve as a binding condition/proffer letter for the rezoning of a roughly 2.08-acre parcel from R1 (limited residential) to B1 (general business). The subject 2.08-acre parcel is identified on Madison County Tax Map parcel 40-19A and is located on Fishback Road (Route 722). If this rezoning is approved, the conditions established in this letter shall "run with the land" and therefore be binding on the parcel's current owners and any subsequent owner(s). And any change and/or alterations to the proffers established herein shall require a public hearing as established in section 15.2-2204 of the Code of Virginia.

<u>The conditions of this rezoning shall be as follows</u>:

1) If/when the parcel's existing single-family dwelling is demolished and a commercial development is constructed, this commercial development shall be connected to public water and sewer if capacity is available. As determined by Rapidan Service Authority (RSA) if public water and/or sewer is not available to the subject parcel, the parcel shall be served by a private well and septic system to be approved by the Virginia Department of Health.

2) The parcel's signage shall be limited to a monument style sign attached to a base/foundation not to exceed a total height of eight (8) feet from the ground and wall sign(s) affixed to a building(s).

3) The parcel's by-right business/commercial uses shall be limited exclusively to those uses identified in articles 8-1-1 (retail store), 8-1-2 (service business) and 8-1-3 (public uses) as listed in the County's zoning ordinances

4) For the parcel's internal vehicular traffic an "inter-parcel" road connection to the adjoining parcel's (TM 40-20) B1 (business) zoned area shall be made.

If this rezoning application is approved, the next step in the development process will be the submittal of an official Site Plan (in accordance with the County's Site Plan Ordinance) for the area(s) proposed to be developed. And during the Site Plan submittal(s) phase, considerations such as road development, entrance design (namely at Fishback Road), site layout, parking, etc. will be proposed and submitted to your office for review and forwarded to the Planning Commission and Board of Supervisors for review and approval as presented, or with modifications as deemed necessary.

Regards,

Signed proffer letter to be provided to County Planner on 7/6/2022 prior to 7 p.m. meeting

Powell O'Bannon, Madison Land Holdings, LLC

RE: Consent for Mikolaj Vivaldi to Apply for a Special Use Permit on Madison County Tax Map 55-22

Ligon –

As we discussed, I am the owner of the subject 355-acre parcel located on S. Seminole Trail which is identified on Madison County Tax Maps as 55-22. Mr. Mikolaj Vivaldi has applied for a special use permit to operate an automotive repair shop on this parcel, and I consent to this special use permit application.

Also, I fully understand that if approved, this special use permit will "run" with Mr. Vivaldi and be subject to several conditions.

Thank you for your attention to this matter.

Sincerely,

Mr. Lightburn has indicated he will come to office to sign this letter on 7/5/2022

Robert Lightburn
6726 S. Seminole Trail
Rochelle, VA 22738

June 10, 2022

Dear Neighbor,

You are hereby informed that Mikolaj Vivaldi has applied for a special use permit (SUP) to operate an automotive repair shop. The submitted SUP application has been reviewed by County staff and a public hearing has been scheduled. This SUP application is scheduled for a public hearing at an upcoming joint meeting of the Planning Commission and Board of Supervisors. **This public hearing will take place on Wednesday, July 6, 2022 (7 p.m.) at the Madison County Administrative Auditorium located at 414 North Main Street, Madison, Virginia**. Notice of this hearing will be advertised in the Madison Eagle on June 23rd and June 30th; the text of this advertisement states the following:

> **Case No. SU-07-22-17**: Mikolaj Vivaldi has applied for a special use permit to operate an automotive repair shop on a 355.5-acre A1 (agriculture) zoned parcel. In the A1 zoning district, an automotive repair shop is allowable by special use permit. The proposed shop would operate from an existing accessory structure located on the parcel. The parcel contains two address points, 6726 and 6730 S. Seminole Trail, Rochelle, Virginia. The parcel is identified on Madison County's Tax Maps as 55-22.

In addition, the Planning Commission will be holding a work session on Wednesday, June 15, 2022 (6:30 p.m.) where this application will be discussed. Though this meeting is not a public hearing, you are invited to attend. This meeting will also be held at the Madison County Administrative Auditorium located at 414 N. Main Street, Madison, Virginia.

If you have any question, concerns, or comments you are encouraged to attend the joint public hearing or work session. Also, please feel free to contact me at the number (or email) below for assistance.

Sincerely,
Mr. Ligon Webb
County Planner

Agenda Item 4 B) VDOT correspondence

Ligon Webb

From: Ligon Webb
Sent: Wednesday, June 8, 2022 2:15 PM
To: Bedsaul, Willis; John Wilson
Subject: SUP Vivaldi Automotive Repair Shop - TM 55-22

Importance: High

Hello Willis and John – Please provide comments for a SUP (special use permit) application received by Madsion County for an automotive repair shop, a public hearing is scheduled for July 6, 2022. The shop would operate from an existing structure located on TM 55-22 (see screenshot), and the parcel has an address of 6726 S. Seminole Trail, Rochelle, Virginia. The parcel has an entrance/exit onto S. Seminole Trail.

A condition of the SUP will the garage will be limited to no more than five vehicles awaiting repair, or being repaired, at any one given time. So it will be a relatively small scale operation.

If you could provide comments on or before Friday, July 1, 2022, it would be appreciated. Thanks, Ligon

Re: (T.M. #55-22) Vivaldi Automotive Repair Shop- Special use permit
Rte. (Route 29, 6726 S. Seminole Trail) Madison County, VA

Dear Mr. Webb:

The Department of Transportation, Charlottesville Residency Transportation and Land Use Section has reviewed the above-referenced parcel dated June 08, 2022 , prepared by, Vivaldi Automotive Repair Shop and find it to be generally acceptable.

If you have further questions, please contact Willis Bedsaul at (434) 422-9866.

Sincerely,

John Wilson, P.E.
Assistant Resident Engineer-Land Use
Charlottesville Residency

Mikolaj (Milo) Vivaldi's Special Use Permit Request for a Automotive Repair Shop on an A1-zoned Parcel

Background – Mikolaj (Milo) Vivaldi has applied to operate an automotive repair shop on a roughly 355-acre parcel located at 6726 and 6730 S. Seminole Trail (TM 55-22). The parcel contains two existing single-family dwellings and two accessory structures. The proposed operation would operate from one of the existing accessory structures located on the parcel (see photos on next page).

The applicant has described the operation as a small-scale custom restoration/repair shop.

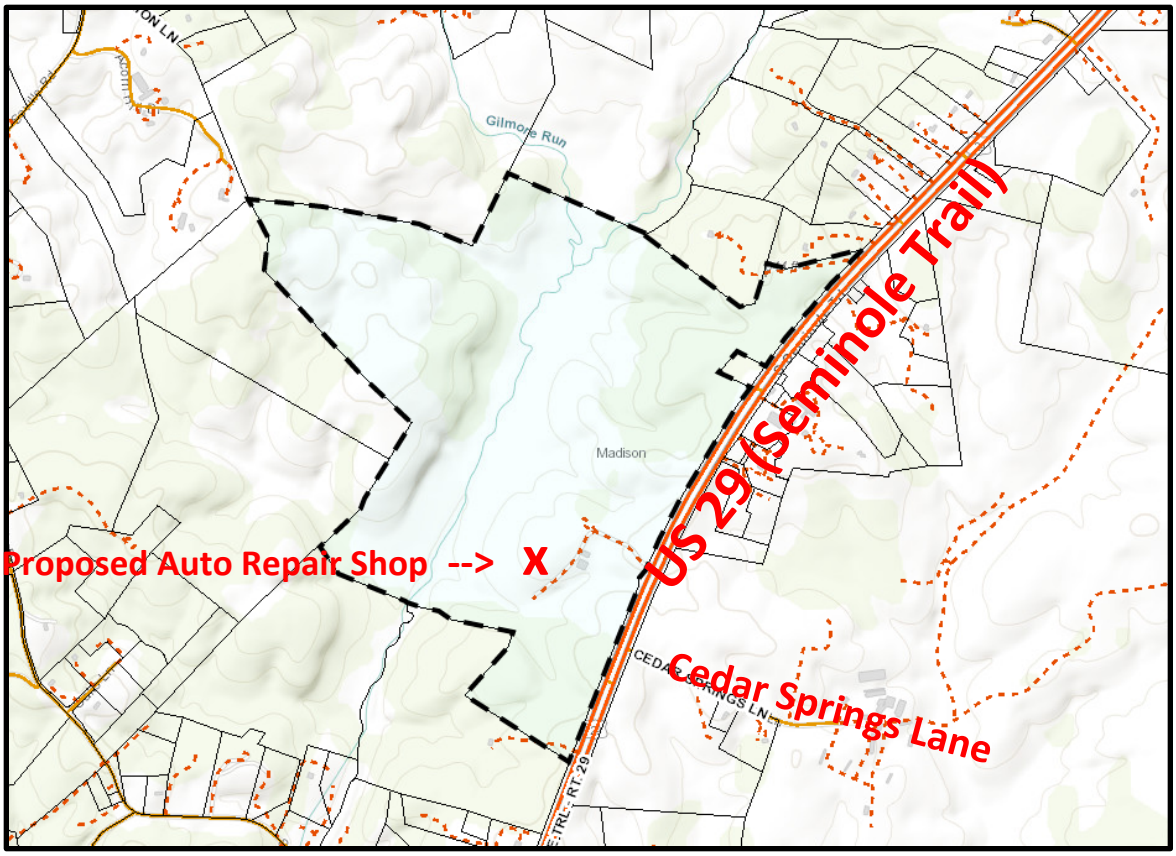

The subject accessory structured has been located on the parcel for many years, and an electrical permit was recently obtained for this structure.

The applicant understands for the building to be utilized for a commercial garage, the building must be certified by a license architect and/or engineer; and any potential required improvements (to bring the building into code compliance) must be permitted through the Department of Building and Zoning.

Also, per the building code commercial garages are required to have an ADA compliant bathroom. A bathroom was installed in the subject structure; but this bathroom does not meet building codes and pumps to an unpermitted "pump and haul" system. The applicant is aware of this, and currently working to establish a drainfield through the VDH. Please see this SUP's recommended conditions related to the site's bathroom.

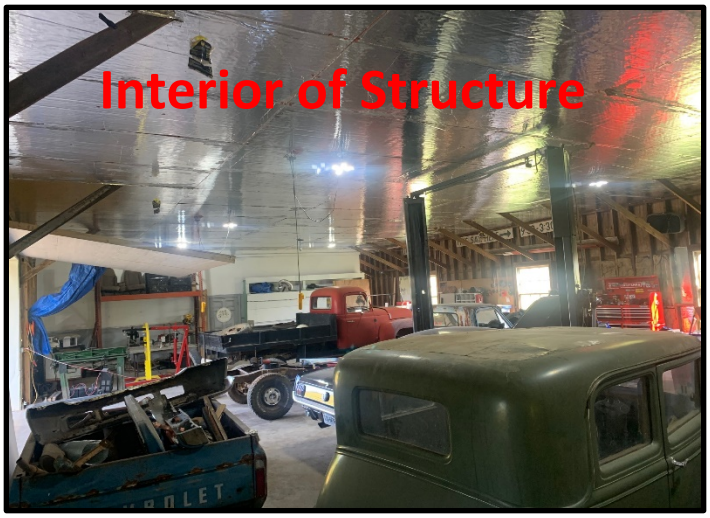

As note, the proposed operation is a small scale-custom garage, (mostly) specializing in the repair and restoration of older vehicles; and in the spirit of being a small-scale operation, the applicant has limited the total number of on-stie vehicles actively being repaired, or waiting to be repaired, to not exceed five (5) vehicles at any given time.

Visuals –

Gilmore Run
Madison
US 29 (Seminole Trail)
Area of Proposed Auto Repair Shop --> X
Cedar Springs Lane

Subject Structure

Access/VDOT – The parcel is located on US Route 29 (S. Seminole Trail); the parcel's existing entrance/exit is located on the southbound lane of US 29 and is directly aligned with a "cross-over" to the northbound lane of US 29. On existing the parcel's entrance/exit, site distance (to the north) is excellent. The County Planner has requested comments from VDOT on this SUP, and a response is expected on/before July 1, 2022.

Virginia Department of Health (Septic) – As noted, a commercial garage requires an ADA compliant bathroom. The subject structure's existing bathroom was not permitted and will be required to be removed and subsequently properly permitted. In addition, the bathroom's

installed “pump and haul” system will be required to be discontinued, and a VDH approved drainfield will need to be established.

Proposed Conditions of the SUP –

1. The special use permit shall not be transferrable; and to transfer the SUP, or to assign to another individual and/or entity, a new public hearing would be required in accordance with section 15.2-2204 of the Code of Virginia.

2. The existing structure utilized for the automotive repair shop shall be required to be certified by a license engineer and/or architect on/or before July 6, 2023; and any improvements necessary to bring the existing building into compliance with state building codes will be permitted through Madison County’s Department of Building and Zoning.

3. As required for a commercial garage, an ADA compliant bathroom shall be installed in the existing structure. This bathroom’s septic drainfield shall be permitted by the Virginia Department of Health. This bathroom shall be installed on/or before July 6, 2023. In the interim, use of the existing “pump and haul” system will be discontinued on/or before August 1, 2022, and a temporary (port-o-john) will be utilized until the permanent bathroom is installed.

4. On-site customer vehicles shall be limited to five (5) or fewer vehicles at any given time.

5. Failure to comply with the stated conditions of this SUP could lead to revocation of the SUP and therefore the ability to operate an automotive repair shop from this parcel.

Recommendation: **Approval** **June 30, 2022**

The proposed automotive repair shop is a custom shop that specializes in customer repair and restoration of "classic" vehicles. The proposed conditions are similar to other SUPs' issued for automotive repair shops.

June 10, 2022

Dear Neighbor,

You are hereby informed that Woodberry Forest School has submitted a Site Plan to construct a multi-purpose athletic building on its campus. The submitted Site Plan has been reviewed by County staff and a public hearing has been scheduled. County staff has determined the Site Plan meets all County ordinances and codes. This Site Plan is scheduled for a public hearing at an upcoming joint meeting of the Planning Commission and Board of Supervisors. **This public hearing will take place on Wednesday, July 6, 2022 (7 p.m.) at the Madison County Administrative Auditorium located at 414 North Main Street, Madison, Virginia**. Notice of this hearing will be advertised in the Madison Eagle on June 23rd and June 30th; the text of this advertisement states the following:

> **Case No. S-07-22-18**: Woodberry Forest School has submitted a Site Plan to construct a multi-purpose athletic building on its campus. The building is proposed to be roughly 23,215 square feet, and be utilized for basketball, pickle ball and various other recreational activities. The total site disturbance would be 0.99 acres (~ 43,122 sq.ft.). The building would be near/off "Tiger Drive" and is located on Madison County Tax Map 66-8.

In addition, the Planning Commission will be holding a work session on Wednesday, June 15, 2022 (6:30 p.m.) where this application will be discussed. Though this meeting is not a public hearing, you are invited to attend. This meeting will also be held at the Madison County Administrative Auditorium located at 414 N. Main Street, Madison, Virginia.

If you have any question, concerns, or comments you are encouraged to attend the joint public hearing or work session. Also, please feel free to contact me at the number (or email) below for assistance.

Madison County Site Development Plan Technical Review Checklist

N/A **Provided**

- ☐ ☒ Name, address, signature and seal of architect, engineer or surveyor
- ☐ ☒ Drawings are no larger than 24" x 36" and otherwise meet specifications per A.6.2 and A6/3
- ☐ ☒ Project Title
- ☐ ○ Name and signature of developer and all property owners with title sources; signatures of all property owners indicating consent to proposed site plan
- ☒ ○ Identification of all applicable variances and zoning conditions applicable to this property
- ☐ ☒ North Arrow
- ☐ ☒ Scale
- ☐ ☒ Vicinity sketch drawn to a reasonable scale with landmarks sufficient to identify the location of the property
- ☐ ☒ Development site boundaries
- ☒ ○ Zoning of site and all adjacent properties
- ☐ ○ Tax map and parcel numbers of the subject property
- ☒ ○ Tax map, parcel number, owner and current use of each adjoining property
- ☒ ○ Calculations showing total area of the proposed development and percentages used for building, parking and open space
  - ☒ Parking spaces and accessible routes to each structure as required by the Uniform Statewide Building Code and the Americans with Disabilities Act
- ☒ ○ Building setback lines
- ☐ ☒ Existing property features (street, buildings, etc.) to be retained or removed
- ☐ ☒ Elevation datum reference
- ☐ ☒ Existing topography
- ☐ ☒ Proposed grading contours
- ☐ ☒ Identification of areas of development site with 25% or greater slopes
- ☒ ○ Name and location of watercourses and other water bodies on or adjacent to development site
- ☒ ○ Limits of the 100 year flood plain and vertical datum correlated to plan topography
- ☐ ☒ Location and size of existing water and sanitary sewer facilities and easements, storm sewer facilities; and drainage easements
- ☐ ☒ Stormwater Management Plan
- ☐ ☒ Erosion & Sediment Control Plan
- ☐ ☒ Written confirmation of VDH approval of wells, septic or other proposed water and sanitary sewer facilities
  - ☒ Developments proposed to be served by central water or sewage disposal system other than RSA, if allowed by County zoning or subdivision regulations: verification of compliance with Sections 15.2-2149 through 15.2-2156 provided. Include detailed plans for proposed water and sanitary sewer facilities meeting all state and local requirements including, but not limited to:
  - ☒ Pipe sizes, types and grades
  - ☒ Connections to central systems
  - ☒ Locations and dimensions of proposed easements and maintenance responsibility (public or private)
  - ☒ Water main locations and sizes

 Prepared by : VHB Date: 05/13/22 --TM# 66-8

Madison County Site Development Plan Technical Review Checklist

- ☒ Water valve and hydrant locations and spacing
- ☒ Septic setback lines from watercourses
- ☒ Where reasonably accessible to RSA service areas, developer extends water and/or sewer infrastructure & dedicates to RSA
- ☒ Provides for adequate fire protection in accordance with A.8.5 of Appendix A to the Madison County Zoning Ordinance

☐ ☒ Location of existing and proposed utilities and utility easements

- ☐ Common/shared easements for franchised cable television operators and public service corporations

☒ ○ Proposed streets

- ☐ Names, state route numbers
- ☐ Right-of-way easements, lines and widths
- ☐ Centerline radii and pavement widths
- ☐ Certification that any street, road or highway to be dedicated to public use has been designated & will be constructed to VDOT standards
- ☐ Designed and constructed to provide adequate drainage and drainage facilities
- ☐ Provide adequate vehicular access & do no adversely affect public safety
- ☐ Public roads designed and constructed to meet state standards necessary for inclusion into secondary system of state highways and Madison County Subdivision Ordinance (Articles 5 & 6)
- ☐ Private roads designed and constructed to meet Madison County Subdivision Ordinance (Articles 5 & 6); clearly designated not to be maintained by VDOT or Madison County
- ☐ Monuments to be installed to establish street and property lines within development
- ☐ Cul-de-sacs designed and constructed as streets, not parking

☐ ☒ Ingress and egress to and from development site; distance to centerline of nearest existing street intersection; connection to at least one public road

☒ ○ Off-street parking areas, loading areas, and internal circulation aisles

- ☐ Names, state route numbers
- ☐ Angle of stalls
- ☐ Width of aisles
- ☐ Specific number of spaces required, with computations
- ☐ Surfacing specifications for all paved and graveled areas

☐ ☒ Proposed structures

- ☐ Number of floors
- ☒ Floor area
- ☒ Height and location of each building or structure
- ☒ Proposed general use for each building and structure
- ☐ Multi-family residential: number, size, type of dwelling units identified

☒ ○ Proposed density

☐ ☒ Phasing lines and proposed timing of development

☐ ☒ Existing trees and tree cover

☐ ☒ Proposed clearing areas

 Prepared by : VHB Date: 05/13/22 --TM# 66-8

Madison County Site Development Plan Technical Review Checklist

☐ ☒ Existing and proposed tree canopy and calculations showing compliance with applicable tree canopy requirements

☒ ○ Landscape Plan

☐ ☒ Location, type and height of all fencing, screening and retaining walls

☒ ○ Percent and acreage of open space

☒ ○ Outdoor Lighting Plan (lights should be directed downward)

☒ ○ Location, design and size of signs

☒ ○ Location of outdoor rental and sales areas; outdoor display areas

☒ ○ Recreation and open space amenities

☒ ○ Location of any grave, object or structure marking a place of burial

☒ ○ Areas to be dedicated to public use

☒ ○ Traffic impact statement, based on current VDOT rates

☐ Estimated vehicles per day & direction of travel for all connections to a public road (see 24 VAC30-155-100)

☐ Additional information as requested by County for determination as to whether proposed development "substantially affects transportation on state-controlled highways"

☒ ○ Written agreement of developer to construct all physical improvements required by County's Zoning or Subdivision ordinances that are to be dedicated to public use

☐ ☒ Signature panel for County official

☐ ☒ All requests by developer for waivers and substitutions of applicable requirements

ORDINANCE TO AMEND MADISON COUNTY'S SUBDIVISON ORDINANCE

ORDINANCE # OA-07-22-19

WHEREAS, The Board of Supervisors of Madison County, Virginia, finds that the following amendment to the Code of Ordinances of Madison County, Virginia would promote the health, safety and general welfare of Madison County, Virginia and be in accordance with the declaration of legislative intent set forth in the Virginia Code 15.2.2200 (1950, as amended) and the Madison County Comprehensive Plan Adopted February 7, 2018.

NOW, THEREFORE, BE IT ORDAINED by the Board of Supervisors of Madison County, Virginia that the Code of Ordinances of Madison County, Virginia, be and it hereby is, amended as follows:

Amending Madison County's subdivision ordinance and adding an article 4-2-3. This proposed amended/new article 4-2-3 would be as follows: 4-2-3 (Periodic partial and final release of any bond, escrow letter of credit, or other performance guarantee) The County shall have 30 days from receiving written notice from a landowner, subdivider, or developer, et al. to inspect projects to confirm the bonded work and improvements have been completed in compliance and conformity with the terms of a performance bond. After confirmation, the County shall release that portion of the bond for which the improvements/construction has been completed. If all bonded work and improvements have been completed, then the entire bond will be released. (Code of Virginia section 15.2-2245 (A), (B), (C), (D), (E) and (F), as amended)

THIS AFORESAID AMENDMENT SHALL BE EFFETIVE UPON ENACTMENT.
